

## Wearing Renown Railway Services PPE

APPLICABLE TO : All Track Staff

Several recent track audits and inspections have highlighted operatives wearing another company's PPE whilst working for Renown Railway Services.

In particular some operatives consider it acceptable to wear Network Rail branded high visibility clothing.

Under no circumstances can this be worn.

Network Rail have made it clear that any operatives found in breach of this rule will be removed from worksites and restricted from working on future contracts.

- **Under no circumstances is it acceptable to wear PPE without a Renown Logo.**
